Dear Parents and Carers,

The Students in Upper School have been exploring where our food comes from, we have been researching Fairtrade and visiting supermarkets and farms in our knowledge and Understanding of the World topic. Due to this we have been busy organizing our very own farmers market and would like to invite you to hear about our work in an assembly and then have the opportunity to buy some of our products.

The assembly begins at 2:15pm on Friday 31st March and the stalls will be open until 3pm for you to buy some of our lovely handmade products. If you are able to attend please make your way to reception and a member of staff will take you into the Main Hall. Please may ask that you park in the school car park and not outside the school as buses will be arriving during your visit.

We hope to see you there and would like to take this opportunity to say thank you for your continued support.
Yours Sincerely,
Kendra Hatcher and Aimee Robinson.
