Dear parents and carers,

Next term, on 11th May, we have invited Peter Imray to come and run a workshop for parents and carers around Sex and Relationship Education. Peter is an experienced ex special school teacher and is now an independent Special Education Consultant. He has run this workshop a couple of times for us in the past and parents have found it useful as they deal with what can be a challenging time as young people approach and deal with adolescence and adulthood. We know from comments that parents make that this is an area with which many parents feel they would like more support.

The session will run from 10.00am until 2.30pm and we will provide a light lunch and refreshments. It will take place in Priory 16.

I would be very grateful if you could complete the slip below if you would like to attend this session to allow us to arrange catering.

Kind regards

Claire Francis and Kat Hughes.

I/We would like to attend the SRE session on 11.5.17.
