Dear Parents and Carers,

I hope you are all enjoying the hot weather we are experiencing at the moment. However, I am writing to request again for you to supply a bottle of suncream for your son or daughter to use in school. This is vital for the summer months to keep everyone safe.

Unfortunately, we cannot apply suncream that you have not sent in to your son or daughter as we have to be sure that what we put on is safe; some children can have allergic reaction to certain brands. We do not have a stock of cream in school for this reason. We have sometimes had to phone parents to check if it is OK to apply some of staff's own cream when none has been sent in but really, this is not satisfactory.

Students should also have a hat to wear when outdoors.

As always, pupil safety and wellbeing is our number one concern and as sunburn is very painful and potentially dangerous we have to do our best to ensure it is avoided.

Many thanks for your cooperation,

Janis French
